DELAY IN THE PUBLICATION OF AUDITED ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

Noteholders are advised that MW Asset Rentals will not be in a position to publish its audited annual financial statements for the year ended 31 March 2026 by 31 July 2026.

The delay is attributable to the completion of the audit process, specifically in relation to management and the auditor's review of a technical IFRS-related matter. This matter is qualitative in nature and is not expected to impact the financial position or reported financial results of the Issuer.

The Issuer currently anticipates that the audited annual financial statements will be published on or before the 14th of August 2026.

Further announcements will be released should there be any material developments regarding the publication of the audited annual financial statements.
