Investors should be aware that investing in a financial product entails a level of risk which depends on the nature of the investment. The merits of any investment should be considered together with the investor's specific risk profile and investment objectives. Collective Investment Schemes are generally long-term investments. Merchant West Investments (Pty) Ltd does not provide any guarantee, either with respect to the capital or the return of a portfolio. Past performance is not necessarily a guide to future performance. Fluctuations in exchange rates and underlying investments may cause the value of international investments or underlying investments, if included in the mandate, to go up or down. Illustrations are not guaranteed but are for illustrative purposes only. Merchant West Investments (Pty) Ltd is an Authorised Financial Service Provider (FSP44508).
